ATTENTION ALL PILOTS

This year, we are announcing a craftsmanship award. Each registered pilot will be asked to vote for their top three most admired stunt airplanes. Any stunt model can be registered provided that model has flown at the 2015 Brodak Fly-In competition.

Any level competitor (beginner, intermediate, advanced, expert) may enter their airplane in this non-flying competition. The Builder of the Model (BOM) Rule applies to this static event.

Airplanes will be judged on Thursday with the top three winners announced during the Saturday Awards Ceremony.

Any questions can be directed to:
